The TVA Office of the Inspector General is a federally-mandated oversight organization charged with preventing and detecting fraud, waste, and abuse and fostering efficient and effective operations within the Tennessee Valley Authority. TVA is the largest government-owned electric utility in the United States, providing electricity to 9 million people in 7 states.

Evaluations is part of the Audits and Evaluations organization within the Office of the Inspector General. The Evaluations Department does not perform financial statement and SOX related audits. Evaluations instead focuses on assessing operations, programs, and initiatives. The objectives of the unit include providing a source of factual and analytical information, monitoring compliance, measuring performance, assessing the efficiency and effectiveness of operations, and/or conducting inquiries into allegations of fraud, waste, abuse, and mismanagement.

Principal Accountabilities:

1. Leads complex reviews of utility operations, programs, and initiatives
2. Manages team members and project assignments
3. Coaches, mentors and develops employees
4. Identifies high risk areas for review
5. Helps establish planning and strategy for the group
6. Conducts data analysis
7. Identifies program weaknesses and provides logical solutions
8. Communicates results both written and orally
9. Interacts with organization management and Board

Desired Skills/Knowledge:

- Knowledge of the electric utility industry
- Master's in business related field or MBA
- Advanced data analysis techniques
- Leadership experience
- Professional certifications, i.e. CPA/CIA.
- Experience applying Quality Standards for Inspection and Evaluation.
